## WELCOME SPRING

GLORIOUS  
GARDENS  
& ROMANTIC  
FLORALS

*Through the Garden Gate:  
All the delights of a rose sanctuary*

*Above: Welcome warmer weather with a thoughtfully dressed bed. Feathered friends nest among apple-green leaves on this Laura Ashley Aviary Garden duvet set, while the subdued palette of Pine Cone Hill's Seychelles Dove White Quilt and pink Silken Solid sheets ensures a peaceful night's slumber. On the chair, a Simple Things Horizon alpaca blanket guards against an unexpected chill.*
