## *The Weekly Covet: What's In Our Carts*

From flowers to cute slides, here's what our editors are shopping this week.

BY THE EDITORS — AUG 6, 2021

Once a week, we ask our editors to share the items they've been loving or lusting after—whether it's a *new skincare product* we're dying to try or a *travel essential* we can't live without. Consider "*The Weekly Covet*" your editor-approved wish list for beauty, travel, fashion, and everything in between.
