LEVELED HOMEWORK
Level 2

Thank you for purchasing this massive resource. This resource contains 36 weekly homework packets. Print once, make copies, and your prep work is done. Homework for the entire school year! It's that simple.

Included in this packet is a parent letter to explain the importance of homework and the method of completing homework each night. Send to parents at the start of the school year. Each homework packet can be copied double sided. These homework pages are to be completed in a notebook or an extra piece of paper. Send home one page a week – there is a section for each day of the week. This product will last you seamlessly from August to June! Enjoy!
