

LEVELED DAILY WORK

Level 3

Thank you for purchasing this massive resource. This resource contains 180 interchangeable leveled daily work pages to ensure that your students are completing different work each day. Print once, make copies of the worksheets, and your prep work is done. It's that simple.

The next two pages are the student response worksheets. Copy double sided to save paper. The next 180 pages are the leveled daily work pages. Post this in your classroom and change out each day. Students will complete the daily work worksheet in response to the prompts and questions on the leveled daily work pages. Use this resource as independent work, guided practice, direct instruction, small group work, a warm activity, a classroom center, or a station run by a paraprofessional. The opportunities are endless and this product will last you seamlessly from August to June! Enjoy!
