

MATH MEETING 3.0 PRODUCT OVERVIEW

Math Meeting 3.0 was created as a highly structured, repetitive daily lesson to teach basic math skills, like a higher level morning meeting. This product requires board space in order to display and use the meeting board pieces and the reference charts.

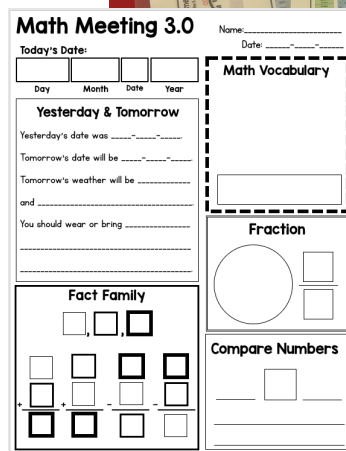

There are 4 main components of this product:

- MM 3.0 Student Worksheet
- MM 3.0 Meeting Board
- MM 3.0 Reference Charts
- MM 3.0 Independent Station Chart & Independent Station Reference Charts

Materials needed:

- Laminator
- Laminating sheets (9"x11.5")
- Clear sheet protectors, top loading
- Magnetic tape
- Velcro (dots and long strips)
