

Exciting Referral Program for Archery Clubs!

We are thrilled to announce a special referral program exclusively for archery clubs, aimed at enhancing your archery experience with high-quality targets and fantastic savings!

How It Works:

Join the Program: Register your archery club with us to get started. Simply email us with your Club Name, Email and Address.

Receive Your Unique Code: Once registered, we'll provide your club with a unique referral code.

Spread the Word: Share the code with your club members and other archery enthusiasts.

Benefits for Your Club:

15% Discount: Use the unique referral code during checkout on our website to get an instant 15% discount on all target purchases.

Earn Rewards: Every time someone uses your club's referral code, your club will accumulate points that can be redeemed for additional discounts, exclusive products, and special offers!

How to Use the Code:

Visit Our Website: Head over to <https://impactpoint.com.au/>

Shop for Targets: Browse our extensive selection of high-quality targets designed for all levels of archery.

Enter the Code: At checkout, simply enter your club's unique referral code to enjoy a HUGE 15% discount on your purchase.

Confirm Your Order: Complete your purchase and get ready to enhance your archery sessions with our premium targets.

Why.Choose.Us?

Quality Assurance: Our targets are made from durable materials that ensure longevity and reliability.

Customer Support: We are committed to providing excellent customer service to assist you with any inquiries or issues.

Community Focus: By participating in our referral program, your club not only saves money but also supports the wider archery community.

Join.Now*

Don't miss out on this fantastic opportunity to save on top-quality archery targets and support your club. Register today and start sharing your unique referral code to enjoy the benefits!

For more details and to register your club, [Referral Program for Archery Clubs! – Impact Point Archery](#) or contact us directly below.

Thank you for being a part of our archery community. We look forward to supporting your club and enhancing your archery experience!

Happy Shooting!
