【Beads (Buddhist prayer beads) tailored with care】

- Manufactured in Japan (Tailor-made)
- Each bead is hand-tailored by skilled craftsmen.
- The elastic cord is hard to break, versatile, and easy to wear. The rubber string is made with four threads to prevent the beads from flying off in case the rubber breaks.
- The beads are polished not only on the surface of the beads but also through the hole in the bead where the cord passes through.

【108 beads】

It has been believed that people have 108 vexations. Vexations are the functions of the mind that confuse and trouble the human mind and cause suffering in body and mind. To purify the 108 vexations, it is said that the temple bell is rung 108 times on New Year's Eve. We have tailored our beads with 108 beads, which are said to have various good meanings and are considered a special number in beads.
