## A NOTE FROM THE CO-FOUNDER

I started Chumbak, in 2010 with my husband Vivek, and over the years, what started as a small souvenirs and collectibles brand has now grown into a much-loved home & lifestyle range.

Our world is full of vibrant prints, flora and fauna, and our love for India. Our goal is to create a life of joy for our consumer with every product we design and we hope you like what you see !
