Pigoudet

Rosé “Premiere” Coteaux d’Aix en Provence, 2023

FR497-23

12x750mL

Located in Rians, behind the Saint-Victoire mountain, this Coteaux d’Aix-en-Provence benefits from a higher elevation and cooler nights. The natural freshness of this place offer a beautiful tautness in these rosés. The color of the “Première” is a gorgeous light pink with bluish undertones. A pleasant, lively, and expressive nose. Having a light, fruity aroma, like white peach, apricot, or litchi. The citrus and exotic notes carry over to the palate, where a lively, fruit-driven attack complements the wine’s ripe, juicy flavors. Tangy acidity shines through brightly towards the finish. Excellent as an aperitif, with any type of barbecue or light lunch.

La Croix du Prieur

Rosé Cotes de Provence, 2023

FR491-23

12x750mL

Located in Trets (30 min driving east of Aix-en-Provence), Château Coussin is situated on a clay and limestone terroir with a mild continental influence. This AOP Cotes de Provence reveals a powerful aromatic of orange pulp, apricot and peach while the vinification keeps the color extremely light and preserve a high amount of freshness giving the dry and hot conditions of this terroir. Lamb shoulder confit with garlic and thyme, seafood risotto, ceviche, tuna tartar with fresh coriander, and Tahitian-style marinated cod are all perfect matches with this wine.

Jousset

Exilé Pet-Nat, 2022

FR0050-22

12x750mL, 3x1.5L

Lise & Bertrand Jousset are located in Montlouis-sur-Loire, Loire Valley. Exile rosé is a blend of 50% Gamay and 50% Grolleau. This Petillant-Naturel has nothing added at all. The grapes are directly pressed, ferment in tank and bottle with 15g of residual sugar. The fermentation naturally restart in bottle without any sugar or yeast added. The wine is dry with zero sulfites added too. 100% grapes inside that bottle and nothing else! The color is slightly dark pink but remains light. The bubbles are extremely delicate and fine. The aromatic is very elegant with subtle notes of cramberry, clementine, raspberries, pear and orange peel. Creamy texture, minerality and crisp on the palate. Pair well with any type of salad, tuna/salmon dishes, grilled sausages, scallops or simply with a nice group of friends.

Matthieu Barret

Petit Ours VDF Rosé, 2023

FR0047-23

12x750mL

Matthieu Barret is based in Cornas and would be seen as a Syrah master. However 2 years ago he decided to vinify a Grenache for the first time and produced this suave rosé from the Southern-Rhône. The grapes are harvested by hand in the town of Roussas, then brought back to Barret's winery to start vinification. This rosé is complex and vinous. It could be a porch pounder or a strong gastronomic partner. This is a micro production of 500 cases total with 250 cases allocated to the US. The nose offer a diversity of aromatics with notes of grapefruit, cardamom, almond tree flowers and lemon balm. The palate is lush with elegant notes of white almond, cherry, verbena and kirsch. The finish is pretty long with some salinity and spice. Pairing: Shrimp cocktail, grilled chicken or turkey, omelette, mushrooms, any type of grilled vegetables or just as an aperitif.

Matthiasson

Rosé, 2022

T02909-22

12x750mL

A combination of Grenache, Mourvèdre, and Counoise from the Windmill Vineyard and Barbera from the Muller Vineyard, in the Dunnigan Hills. Light, fresh, red fruited with salty minerality. Perfect for spring foods that show up on the table as the weather thaws (salads, frittatas, peas, favas, green garlic, ramps). Drink it at a picnic, drink it on your fire escape, drink it with food, drink it on its own, really, just drink it.

Forlorn Hope

Queen of the Sierra “Estate Rosé”, 2022

T0404291-22

12x750mL

Organically grown Zinfandel, Grenache, Tempranillo, and a smattering of other grapes from the Rorick Estate Vineyard in Calaveras County make up this lively rosé. Textural and dynamic with electric acidity, this is truly a wine that keeps you coming back for another sip, and probably another bottle.

Robert Sinskey Vineyards

Vin Gris of Pinot Noir, 2022

T0656-22

12x750mL

The OG (dry) California rosé. Before rosé could be found on every winelist and on every retailer's shelf, Robert Sinskey Vineyards was making this delicious wine. Organically farmed Pinot Noir from the RSV Carneros estate is hand picked and gently whole cluster pressed. Only the delicious free-run juice (no skins, stems, or seeds) goes into the Vin Gris. No manipulation, no blend back of other juices for color; it is an honest rosé and should be enjoyed year round.

Cantine Barbera

La Bambina Nero d'Avola Rosato DOC Menfi, 2022

IT792-22

12x750mL

La Bambina is dedicated to strong women, to their power and energy, to their tireless motivation in fighting for their beliefs, to their talent for problem solving despite difficulties and complications. It's the wine that I made against all odds that there was no future for such a rosé in the market and beyond expectation, at the winery and outside. It is a pleasant expression of Nero d'Avola, which grapes are harvested at night to preserve their freshest aromas, and to give birth to a very exciting wine that reflects the personality of Menfi's terroir.

Elena Fucci

"Titolo" IGT Basilicata Rosato, 2022

IT524-22

12x750mL

Titolo Rosato is a delicate yet deeply colored Aglianico rosé made from the young vines on the Fucci estate. Harvested intentionally for rosé, the wine is supported by lovely acidity which allows the grape's inherent red fruit aromas to shine.

Cataldo Calabretta

Ciro Rosato DOC, 2022

IT496-22

12x750mL

This is a rosato, we have a at least 12 hours of skin contact; like every rosato the color is more intense and this cannot be considered just a summer wine! The nose shows notes of blood orange, citrus, and fresh; it has a great acidity but with a touch of tannins it has also complexity.

A&P

Suañe Rosado Reserva, 2018

SP133-18

12x750mL

Light pink with onion skin notes. Red fruits (ripe strawberry), rose petals, herbal aromas, and dried fruits arise after breathing in the glass. It tastes fresh, fruity, and delicious in the mouth. It has a pleasant acidity and an excellent structure that dissolves in the mouth. Excellent contribution from the aging, which blends well with the citric aromas and flowery undertones. It is believed to improve with bottle ageing.

Partida Pedrer

Rosé, 2021

SP501-21

12x750mL

Partida Pedrer Rosat is a concentrated rosé wine with complex aromas of red fruits, wild berries, floral notes and touches of spice. On the palate it is light, delicate and elegant. A wine with good acidity, magnificent minerality and a velvety texture. The pleasant finish has subtle saline and minty touches.

Bixigu

Rosé Txakoli, 2022

SP195-22

12x750mL

Bixigu Txakoli Rose comes from Getaria, barely a 30 minutes' drive west from San Sebastian. Here the family Lazcano has been making wine for four generations, they own 25h of vineyards that face the Cantabrian sea. Bixigu Rose, is a blend of 60% Hondarribi Beltza and 40% of Hondarribi Zuri, made in the traditional way it ferments with native yeast at low temperature to keep the dissolved carbonic gas in the wine and was kept with the lees for four or five months before being bottled.

Light bubbles, combination of citrus and red berries, with a mineral background and a salty, refreshing finish.

Bàrbara Forés

Rosé, 2022

SP141-22

12x750mL

With the name Bàrbara Forés, the marriage of Carmen Ferrer and Manuel Sanmartín wanted to pay tribute to their great-grandmother Bàrbara Forés, who was born in Gandesa on February 7, 1828. Bàrbara Forés, the daughter of a wine merchant (Rafael Forés) and an agricultural owner (Maria Figueras), was a person of great character and had a decisive influence on her son Rafael. Rafael Ferrer Forés, a pharmacist and illustrious winegrower, constructed the cellar of the manor house where he began bottling wine at the end of the 19th century. Bàrbara Forés, therefore, represents respect and tradition in the production of wines, passed down from generation to generation for more than a hundred years in their house. Red Grenache (57%), Syrah (22%), and Carinyena (21%) Exclusively sourced from limestone rich parcels and less that 700 cases produced. Serious expression of rose with notes dark fruit of dark fruit being framed by a floral and herbal quality. Light bubbles, combination of citrus and red berries, with a mineral background and a salty, refreshing finish.

Spring Spirits

Aelred

Melon Liqueur

LQ4500-NVI

12x750mL

The Melon Aperitif is Aelred's flagship bottling, made from the Provençal Melon de Cavaillon. The distillery collaborates with a Cannes perfumery to accurately capture ripe melon aroma and flavor. The result is a juicy liqueur with aromatic bursts of fresh cantaloupe on the palate.

Walcher

Midsummer Spritz

LQ3422-NV

12x750mL

The Midsummer Spritz is a fruit-forward, lightly spiced liqueur from Walcher, and includes botanicals like lemon, ginger, raspberry, and pomegranate. Like all liqueurs from this supplier, the Spritz is made with all organic ingredients and is delicious drunk on its own over rocks or with sparkling water and Prosecco.

Isolation Proof

Spring Gin

LQ5201-NV

12x750mL

This gin is an homage to springtime in New York with a gorgeous market basket of botanicals including watercress, tarragon, citrus peel, herbs and spices but most notably, ramps. Petrichor and peppercorn on the earthy, zesty nose, but on the palate is where the botanicals really shine offering up abundant notes of fennel, honey, citrus and garden vines. This sweet-and-savory spirit is versatile, for use in everything from highballs to Bloody Mary's. Available in April.
