

# DocuCutter CC-229

## Card Cutter/Creaser

The CC-229 Card Cutter/Creaser brings cutting, slitting and creasing to your fingertips. Ideal for finishing color letter and legal size applications, the CC-229 can be used to produce various applications such as business cards, photos and postcards as well as folded business cards and greeting cards.

The CC-229 comes standard with a business card slitting cassette and a creaser module, delivering up to 130 business cards per minute. Optional slitter cassettes for slitting different sizes as well as round corner, perforating, and embossing cassettes are also available by special order. Its small footprint and interchangeable cassettes make the CC-229 a versatile cutting solution.
