Characteristics

Function:	Body Shop Safe Quick Detailer
Surfaces:	Paint
Formulation:	Water-based solution
Color:	Purple
Fragrance:	Jasmine

Key Benefits

- Silicone-free formula will not "fish eye" freshly applied paint
- Spray on-wipe off formula fast and easy-to-use
- Quickly removes light surface contaminants
- Renews wax shine and maintains "just waxed look"
- Leaves surface "slick" to the touch
- Versatile product that can be used on paint, chrome, vinyl and glass
- Ideal clay bar surface lubricant

How to use

- 1 For best results, ensure surface to be cleaned is cool to the touch. Do not apply in direct sunlight.
- 2 Spray product directly on surface.
- 3 Wipe product with clean, soft cloth.
- 4 Turn cloth over & buff surface to desired gloss level.
