CBOOA018-03: 4/1 Gallon Case  
CBOOA018-05-S5: 5 Gallon Pail

### Specifications:

VOC Compliant  
Water Based

## Characteristics

<b>Function:</b>	Quick Detailer
<b>Surfaces:</b>	Paint, chrome, vinyl and glass
<b>Formulation:</b>	Water-based silicone emulsion
<b>Color:</b>	Blue
<b>Fragrance:</b>	Tropical

## Key Benefits

- Spray on-wipe off formula is fast and easy-to-use
- Quickly removes light surface contaminants
- Complies with VOC restrictions nationwide
- Renews wax shine and maintains "just waxed look"
- Leaves surface "slick" to the touch
- Versatile product that can be used on paint, chrome, vinyl and glass
- Ideal clay bar and surface prep lubricant

## How to use

- 1 For best results, ensure surface to be buffed is cool to the touch. Do not apply in direct sunlight.
- 2 Spray product directly on surface.
- 3 Wipe product with clean, soft cloth.
- 4 Turn cloth over & buff surface to desired gloss level.
