Be inspired... Be unique...

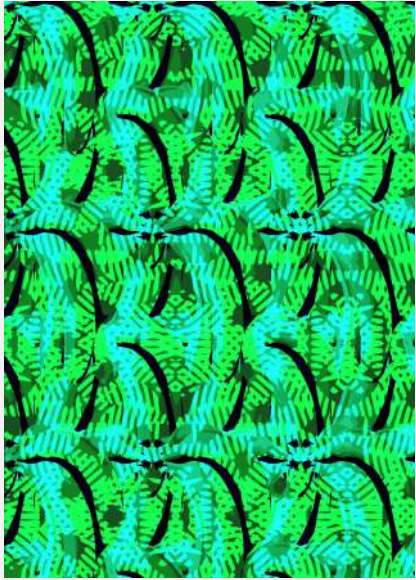

THE STORY

Introducing Iranti (ee-ron-tee), a collection in tribute to Mamman and childhood memories in Nigeria. Take a trip down memory lane with nostalgic prints evocative of childhood comforts and whimsical sentimentality.

These prints were lovingly created and perfected by our team not only to honor my Mamman to inspire others. We like to think of Iranti as wearable art, with the goal of creating jobs through design.

With love, Teni Majekodunmi - Founder
