## Crossing Chair

# Crossing Chair

Designer: Jeremy Evison  
Year: 2023

WW

A smaller footprint lounge chair, Crossing provides a comfortable seat, suitable for both residential and commercial spaces. Organic junctions crafted using complex CNC manufacturing methods, bring a unity and natural quality to the frame – appearing more sculpted than assembled.

## DIMENSIONS

Width 660mm  
Depth 740mm  
Height 660mm

## MATERIAL

Solid timber frame, with a multi layered foam seat with memory foam wrap.

## SPECIFICATIONS

- 100% solid timber frame and backrest, with sculpted organic junctions
- Multi layered foam seat with memory foam wrap for comfortable, low maintenance seating
- Interlaced elasticised webbing in seat base
- Fixed seat cushion
- Polished in a durable 2 pack lacquer, or Osmo oil
- Fully assembled
