# 3-in-1 20W Fast Wireless Charging Dock for Apple iPhone

# Product Information

This is a 3-in-1 20W Fast Wireless Charging Dock for the Apple iPhone, compatible Apple AirPods and Apple Watch. This device uses the latest Qi-charging technology and is capable of charging multiple devices simultaneously.

The main charging pad supports charging Qi-charging compatible smart phones such as the latest Apple iPhone and supports up to 15W of wireless charging.

The watch charger supports any Qi-charging compatible smart watch and supports all generations of Apple Watches. It supports 2W of wireless charging.

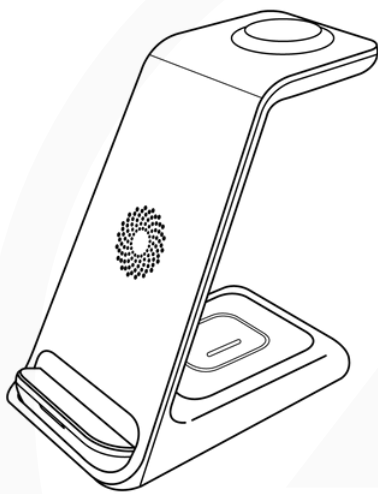

The second charging pad on the back supports wireless charging for Qi-charging compatible wireless earbuds. Supports the latest generation of Apple AirPods. It provides 3W of charging and can also be used to charge a second Qi-compatible mobile device.

For optimum performance please use with a PD QC 3.0 power adaptor (must be purchased separately).

# Troubleshooting

## Charging Indicators

-  Dark blue indicates the charging status of the mobile phone.
-  Green indicated the charging status of AirPods
-  Light Blue indicates the charging Status of mobile phone and AirPods together.

**Phone is not charging:** If your phone is not charging please check for the following.

- Phone is placed correctly on the charging pad.
- Make sure the wireless charger is correctly connected to the power adaptor.
- If you are using a protective phone case, try removing it and placing the phone directly on the charging pad.
- Make sure there are no magnets in between the phone and the charging pad.

**Phone is charging slow:** If your phone is charging slow or not charging while wireless earbuds are charging it is usually a sign of lack of power. Please check to see you are using the correct type of power adaptor. For optimum performance you will require a PD + QC 3.0 power adaptor.

# Product safety information

- Do not store or use the device in a high temperature or high humid environment.
- Do not store or use near strong magnetic fields.
- Do not temper with the device.
- Keep out of reach of children.

These warnings are important to ensure the safety and longevity of the device. High temperatures and humidity can damage the device's internal components, leading to malfunction or failure. Strong magnetic fields can interfere with the device's electronic signals and cause it to malfunction. Tempering with the device can also cause irreparable damage and void any warranties. Lastly, keeping the device out of reach of children is important to prevent accidental damage or ingestion of small parts that may pose a choking hazard. By following these precautions, you can ensure the safe and optimal use of your device.
