Tested acc. To: REACH No 1907/2006

The undersigned declares that the above named equipment conforms to Regulation (EC) No 1907/2006 of 18 December 2006. It regulates the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and requires the communication along the supply chain on the use of substances classified as SVHC (substance of very high concern) in a concentration above 0.1% weight by weight (w/w). All substances classified as SVHC are listed on the Candidate List published by European Chemicals Agency (ECHA), last updated on 10/06/2022. In accordance with above-mentioned regulation GeT Cameras will attend to the duty to communicate information on substances in articles in case we become aware of the presence of any SVHC. We guarantee that all products and parts listed above comply with the restrictions on the latest chemical substances of SVHC as required by REACH.
