

# CENTURY PILE FLUORO

Century Pile Fluoro mats are made from high-twist nylon yarn, permanently bonded to a 100% nitrile rubber backing. Reinforced edges add strength and keep your mat lying flat for years of trouble free service. 30% more absorbent than other mats.

## FEATURES

- Ideal for potential hazardous areas, factories, warehouses, high traffic areas
- Printing in fluoro yellow provides great visibility in dark areas
- Safety message mat - available in four designs
- Low profile - sits flat without curling
- Indoor mat
