

# COIR MATTING

Coir (coconut fibre) is the original natural door mat fibre – attractive, strong and durable. The dense brush pile thoroughly removes grit, dirt and water from shoes – you'll have cleaner, safer floors.

With a heavy duty PVC backing the 100% natural coir pile can brush off and absorb an amazing quantity of dirt and water.

## FEATURES

- Ideal for entrances, recesses or mat wells
- Absorbent 100% natural coir fibres
- Durable non-fray PVC backing
- Efficiently scrapes debris from shoes
- Can be cut to any size or shape - up to 2m wide
- Indoor/outdoor use
