

DIAMOND PLATE

Diamond Plate is an excellent alternative offering unparalleled comfort, plus a high tech look and a great abrasion and chemical resistant top. A deeply embossed PVC surface with vinyl sponge underlay gives excellent anti-fatigue properties plus the safety of brightly contrasting yellow edges.

FEATURES

- Ideal for workbenches, work stations, cafes, service station desks
- High quality anti-fatigue mat
- Durable PVC surface
- Industrial checker-plate finish
- Can be cut to custom lengths
- All edges bevelled for safety
- Indoor use
