

INTERLINK MAT SOLID TOP

Interlink mats are made of a heavy duty natural rubber that offers excellent anti-fatigue characteristics in industrial and commercial work areas. If you need an irregular shape or larger size, let us make it for you. Interlink mats have a hidden interlocking system designed to connect all four sides making it perfect for covering large floor areas. For easy trolley access and extra employee safety, attach the 75mm wide safety bevelled edge.

FEATURES

- Ideal for in front of machinery, around packing benches, work benches/stations
- High quality anti-fatigue properties
- Smooth surface for easy cleaning
- Ramps eliminate tripping hazard
- 915 x 915mm modular interlocking system
- Bevelled edges available in yellow or black
- Indoor use
