

# KLEEN SCRAPE PERSONALISED

Not only do the Kleen Scrape Personalised mats create a visually attractive and unique entrance, they protect floors against the damaging effects of dirt, grit and dust. In modern businesses today, image is vital. It must be professional, yet distinctive, and a mat featuring a company logo and/or other relevant design can help reinforce a corporate identity. The heavy and durable Kleen Scrape Personalised mats work wonders in environments where traction is essential. Constructed of 100% nitrile rubber for oil and chemical resistance. Moulded face cleats act as scrapers to remove heavy dirt and soil from shoes and provide an excellent anti-slip surface.
