

# PROFLEX SOLID EXTRUSIONS

Proflex Solid Channel & Capping is a very high quality EPDM extrusion that comes in many very popular profiles. Proflex EPDM profiles are extremely resistant to extreme weather & temperature and comes with a 10 year guarantee. These profiles are designed to protect sharp edges on glass, metal & plastic.

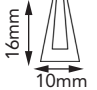

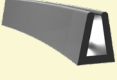

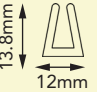

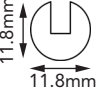

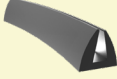

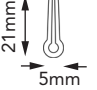

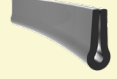

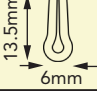

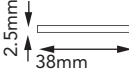

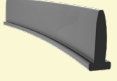

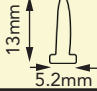

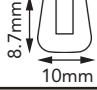

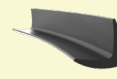

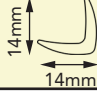

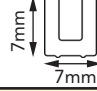

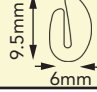

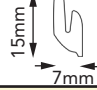

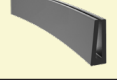

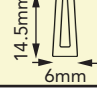

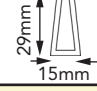

Proflex Solid & Channel profiles come in a 50m roll, or can be cut to any length. A cutting fee will apply to any cut length.

## FEATURES

- Ideal for canopies, ute boxes, steel cabinets - electrical, fibreglass products, glass products, steel products
- Edge protector
- EPDM solid
- Can be cut to custom lengths
