

SAFETY TREAD CONFORMABLE

Our Conformable Foil Backed Non-Skid Traction Tape is for heavy duty textured surfaces and stair nosing applications. The aggressive adhesive and flexible carrier allows for excellent conformability and will hold its shape to almost any embossed or textured surface. This product is ideal for steel tread plate, stair nosing, uneven concrete and most uneven surfaces. This tape has a coarse 46-grit surface – great for indoor and outdoor applications, with excellent weatherability and water resistance.

FEATURES

- High traction 46-grit aluminium oxide
- Premium quality construction
- Conformable foil backing
- Aggressive, waterproof adhesive system
- Chemical and oil resistant
- Indoor/outdoor application
- Long term durability
