

SUPER BRITE REFLECTIVE TAPE

Super Brite is a high intensity reflective adhesive with a long term life cycle, an excellent choice for marking anything that requires a high level of night time visibility. The tape has an excellent entrance angularity and high intensity micro-prismatic surface. An aggressive adhesive system that will adhere to most any clean, dry surface. High Intensity product has a reflective value of over 4 times that of our standard engineer grade products. Intended for application on relatively flat surfaces only.
