

# OUST

## SOLVENT DEGREASER

PRODUCT CODE: 177

### DESCRIPTION AND PRODUCT BENEFITS:

- EMULSIFIER • EASY RINSING •
- SOLVENT BASED • LOW ODOUR •
- REMOVES RUST PROOFING OVERSPRAY

OUST is a quick acting solvent based cosmoline remover which dissolves cosmoline and then emulsifies it with the rinse water for quick removal. OUST works equally well on rust proofing overspray and road tar. OUST contains no harmful chlorinated solvents and has a low odour making it pleasant to work with.

### DIRECTIONS OF USE AND APPLICATION:

Mop OUST onto the car finish. Allow to penetrate for a few minutes. Agitate and rinse off. Repeat if necessary. Wash vehicle down with car wash soap and water for complete removal of cosmoline and OUST. Rinse with water.

### PRECAUTIONS:

This product is flammable. Never use on hot surfaces or by open flame. Don't smoke while using. Contains petroleum solvent. Do not mix with other chemicals. Keep from freezing.

### HEALTH & SAFETY INFORMATION

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

### DISCLAIMER:

As the actual conditions of use are out of our control no liability is accepted for any loss or damage caused directly or indirectly through the use of our products. Intending users should satisfy themselves, by carrying out appropriate tests, as to the suitability of this product for any particular purpose.
