POWER GREEN

WASH SOAP

Precautions:

Do not mix with other chemicals. Keep from freezing.

Health & Safety:

For further information on the safe handling, storage and precautions for use of this product, consult the Safety Data Sheet. Keep out of reach of children.

Touchless HD Formula

Description:

POWER GREEN is a concentrated liquid truck and trailer wash formulated to remove exhaust deposits, road film, and bug residue from painted vehicle surfaces in one application, with minimal to no brushing. **POWER GREEN** is free from butyl-, caustics, acids, or solvents. Designed with synthetic, biodegradable detergents that rinse fully and eliminate streaking. Ideal for contract truck washing services, truck leasing dealers, and truck washes.

Directions:

1. Dilute up to 40 mL of **POWER GREEN** per 1 L of water (1:25).
2. Apply power green using high or low pressure in either hot or cold water.
3. Rinse the surface with high-pressure (140°) to 71°C (160°F), and high-pressure above 600 psi for best results.
