

Forearm Upright Walker

The Forearm Upright Walker provides improved support and stability. The padded, height adjustable forearm rests keep the users arms and hands at a natural level, reducing the weight burden and relieving stress on the hands, wrists, back and shoulders. Perfect for use both indoors and outdoors. It features highly manoeuvrable 10" front wheels that have a 360 degree swivel, a convenient carry bag, dual handbrakes, seat with backrest and a lightweight, easy to fold design.

- *Lightweight and sturdy
- *Easy folding design
- *Height adjustable
- *Dual hand brakes
- *Seat with backrest
- *Carry bag included
- *Weight capacity 150kg
