

Freerider Luggie Super Deluxe Mobility Scooter

The Luggie Super Deluxe is the wide track version of the Super Plus, complete with front suspension and pneumatic tyres for those that want more stability and comfort when tackling rugged terrain. The Luggie Super Deluxe comes with a larger seat, and standard 10.5 A/H Li-ion batteries, which can be upgraded to 16.5 A/H Li-ions giving it a much higher range. With the well designed front suspension and larger pneumatic tyres on the rear, the ride is smooth and comfortable.
