

### Rise Pro Table

The Rise Pro Table is a mobile, versatile, easy to use over chair/ bed table, it is the perfect size for bedrooms, lounge rooms and offices. The built-in screen stand for a phone or tablet has a specially designed, built-in channel to run the charger through, keeping long cables tucked away. Featuring easy gas lift technology, this table adjusts with just the pull of a lever and slight upward or downward pressure.

- \* Easy gas lift height adjustment
- \* High quality solid core table top
- \* Lightweight aluminium with strong steel base
- \* Built in screen stand and cable management channel
- \* Front locking castors
- \* Easy clean
