

## Star 8" Heavy Duty Rollator

The Star 8" Heavy Duty rollator is a quick fit adjustable design meaning both the frame/seat and handles are height adjustable. It is a larger version of the original Star 8" rollator giving a wider frame and higher weight capacity. Featuring a padded seat with flip up access to a secure privacy bag. This rollator is foldable and has a locking pin to keep it in its folded position for easier transport/storage.
