

P16 Pro Lite Power Chair

The P-16 Pro Lite is a new lightweight and durable magnesium alloy powerchair. This tough, portable and stylish chair is sure to give you a new level of convenience, independence and functionality. It has a compact and easy fold design making it very transport friendly. Folding like a normal wheelchair this weights only 14.8kgs when disassembled (excluding the battery and leg rests). To simplify configuration, it is truly and simply a wheelchair with a motor attached. With easy to remove detachable and swing away foot rests, flip up arm rests and a flip down ergonomic back rest, this chair is convenient to transport or store.
