

Chicken Diaper Fitting Instructions

SMALL: Generally fits bantams 2-3.5 lbs. **MEDIUM:** Generally fits birds 3.5-5.5 lbs. **LARGE:** Generally fits birds 5.5-7.5 lbs.

1

Hold the straps in a "pinch" in one hand.

2

Slip the diaper over the head, with the "pinch" at the back of the neck. Smooth diaper over the chest and belly.

3

Slip each leg through the straps one at a time. Re-center fabric on chest and belly as needed.

4

Slip each wing through the straps, one at a time. Straps should be crossed on the chicken's back.

5

Adjust the back pocket of the diaper so it is fully open and positioned over the vent.
