

## All Makes Windshield Wiper Motors

### Features:

- Premium OE quality - durability to SAE J198 standard
- Easy fit - connector and installation hardware\* included
- Retain your vehicles existing wiper functionality and configuration
- Self-resetting circuit breaker to protect the motor against stall loads (such as if the wipers are frozen to the glass and unable to move)
- Fits 5/8" - 3/4" tubing
- Electro-Magnetic Interference (EMI) suppression

Use the application chart below to find your year, make, & model of truck, then click the corresponding WIPER MOTOR PART NUMBER to order.

TRUCK MAKE	TRUCK MODEL	YEAR	WIPER MOTOR PART NUMBER	ALSO REQUIRES
