ARIA CEILING LIGHT

SPECIFICATION SHEET

About Aria Ceiling

Aria draws inspiration from the gentle movements of a swaying cloth, dancing gracefully with the rhythm of the wind. It is a harmonious blend of two contrasting elements, brass, and linen, each showcasing their true essence with authenticity. The solid brass rods cast from hand-sculpted patterns retain the maker's touch and bear witness to the beauty of imperfection. The linen fabric is hand embroidered with delicate impressions borrowed from a child's sketch, stirring an emotional response, evoking a longing for life. Aria strikes a balance between art and function, blending high-quality materials with refined details, seamlessly weaving the art of being present.

Care Instructions

Over time, the metal surface may diminish its original luster. To retain the original finish, use metal polish with a soft, dry cloth and gently rub it onto the surface. Please be wary of the weight. Dry-clean the fabric and steam iron from both sides before re-installing. Do not wash the fabric at home or expose it to water. Handle with care to prevent damage or staining. Do not use any abrasive substance on the product.

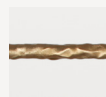

To know more, refer Installation Manual.

Technical Details

Dimensions
W1420 H500 D400 MM
W56 H19.7 D15.7 IN

Weight
12 kg

Material
Brass

Linen fabric

Finish
Hand buffed,
Hand embroidered

Hardware
W56 H32 D140 MM
W2.2 H1.3 D5.5 IN
Brass finish

Light source
IND/ UK/ EU
LED (Incl.)
12W, 220-240V

Kelvin Rating
3000K

Dimmable
Phase cut
Triac compatible

Cord
Hardwire
Cord length - 2000 MM

Classification
IP20
