ITO FLOOR LAMP

SPECIFICATION SHEET

About Ito

The Ito floor lamp embodies the transience of life's passing moments that we often wish to hold on to. It is an ode to the beauty of the ephemeral experiences that keep the momentum of life flowing. Ito comprises individual strands of 1968 soft cotton threads suspended freely from a brass frame, cast from hand-sculpted patterns exploring the essence of the human touch and the natural beauty of impermanence through contrasting materials. The form appearing as a solid cuboid volume from afar, reveals an airy, light character as the wind blows, mesmerising the viewer with its warm glow.

Care Instructions

Over time, the metal surface may diminish its original luster. To retain the original finish, use metal polish with a soft dry cloth and gently rub it onto the surface. Please be wary of the weight. Gently dust the threads occasionally and steam iron from all four sides if they get tangled. Handle with care to prevent damage or staining. Do not use any abrasive substance on the product. To know more, refer Ito Care Manual.

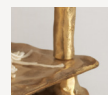

Limited Edition.

Technical Details

Dimensions
W350 D350 H1825 MM
W13.8 D13.8 H72 IN

Weight
32 kg

Material
Brass

Cotton threads

Light source
IND/ UK/ EU
Surface mount LED light
15W (Incl.), 220-240V

Lumen
1688 lm

Kelvin Rating
3000K

Dimmable
No

Cord
Socket type C

Cord length 1650 MM
On-off switch 0.2mtr from the base.

Classification
IP20
