# ON TOP OF THE WORLD

If you love somebody better tell them why they're here 'cause. They just may run away from you and you'll never know what went well. Then again it just depends on how long of time is left for you. I've had the highest mountains and I've had the deepest rivers. You can have it all but not til you move it. Now take it in but don't look down because I'm on top of the world.

Take it with me if I can. Been dreaming of this since a child. I'm on top of the world. I've tried to cut these corners and I've Tried to take the easy way out. I kept on falling short of something. I coulda gave up then but, then again I couldn't have 'cause. I've traveled all this way for something and now take it in but don't look down 'Cause I'm on top of the world.
