After-school Pick-up

- Once registered, we will advise you of what school gate your child will be picked up from. The Coach that comes out to the school with the driver, will come and pick the children up from the gate.
- If your child is absent from school that day, please let us know asap by e-mailing admin@activeattitude.co.nz (or you can **mark them absent on your online account** with us) so the Coach doesn't go searching for them.
- Children will be collected by a professional driver and one of our after-school care coaches in a van.
- We have been advised that because we are using a professional coach service, car seats for this age group are not required, however if you would feel more comfortable with your child being in a booster seat, please let us know and we can work with you to plan for this.

Registration & Bookings

- Register online [here](#) for the days of the week that you would like your child to attend, you will pay a \$39 deposit to hold your child's spot, with the remaining amount due by the 7th February 2023.
