# Royal Grass®

With Royal Grass®, you will have more time to enjoy those things. With no effort, your grass will always look perfectly mown and tended. Even better: Royal Grass® doesn't need a drop of water, no matter how hot or dry it is. Which means you can enjoy a beautiful lawn with minimum maintenance.

## Advantages

- A beautiful green lawn all year round - with minimum maintenance.
- A lawn that can withstand intensive use without developing bald patches or brown spots.
- Go ahead and sell your lawn mower! You will no longer need it, nor will you have to deal with the annual cost of watering, spraying and reseeding.
- The best part is, you can install artificial turf where normal grass will not grow, whether in the shade, under a roof or even on a balcony or roof terrace.
- Royal Grass® feels wonderfully soft to the touch and has a guaranteed long life span, as well as an 9-year warranty on UV-stability and colour fastness.
