The Wild Side

Polar Prairie Pacific

Dave Conlin

March 4 to June 29

Take a walk through the wild side in the work of St. Albert photographer **Dave Conlin**. Explore the majestic and challenging lives of large mammals from the Pacific to the Prairies and up to the Arctic. In *The Wild Side*, Conlin captures the bond between a mother grizzly and a cub learning to hunt salmon, a deer peeking over canola, a cautious coyote and much more.

Dave Conlin Photography Tours: April 20, 27, May 4, 11 and 18 from 8–11 am (see “EXPERIENCE + TOURS” pages for more information)

ART GALLERY OF ST. ALBERT

Main Exhibition:

Threading Through Time

Raneece Buddan

March 14 to April 25

Raneece Buddan strives to reconnect to her ancestors through her work. As a Jamaican woman, she hails from Afro and Indo-Caribbean roots. Blending textile, ceramics, portraiture and sculpture, she captures beauty, weaving together the connections, traditions and memories that can be lost between generations.

Virtual tour: April 3 at noon on Facebook Live

Artist led program: April 6 from 1–4 pm

EXHIBITIONS

ART GALLERY OF ST. ALBERT

Main Exhibition: *High Energy 29*

St. Albert High School Students

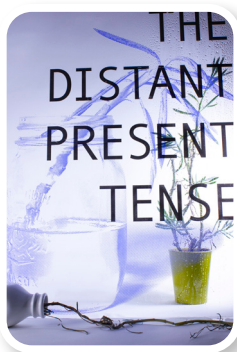

May 2 to 25

Returning for its 29th year, *High Energy 29* brings together more than 120 artists from 5 local high schools. Grade 10, 11 and 12 students from **Bellerose Composite High School, École Alexandre-Taché, École Secondaire Paul Kane High School, St. Albert Catholic High School and Outreach High School** pour their time, skill and dedication into their practice.

Reception: May 2 from 6-8 pm

In-person tour: May 15 at noon

Virtual tour: May 22 at noon on Facebook Live

ART GALLERY OF ST. ALBERT

Main Exhibition: *In Violet Light*

April Dean and Taïessa

May 30 to July 6

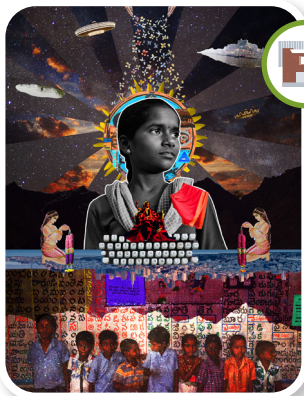

Alien and utterly entrancing, *In Violet Light* explores the complex relationship between people and plants through the lens of our house plants. **April Dean** and **Taïessa** consider commercialization and ownership, colonization and extraction – the problematic legacy and contemporary nature of the indoor plant trade. But *In Violet Light* also evokes beautiful possibilities, alternative networks of exchange, connection and generosity.

Reception and artist talk: June 13 from 6-8 pm

In-person tour: June 11 at noon

Virtual tour: June 18 at noon on Facebook Live

Inseparable Fragments

Santosh Korthiwada

February 6 to May 4

What does it mean to move around the world, leaving the culture, place, sounds and smells of the land where you grew up? How do we hold onto those intangible memories as they drift further into the past? Through digital collage, **Santosh Korthiwada** preserves his memories of India, his country of birth, and the place where his heart will always reside: ***Inseparable Fragments***.

ART GALLERY OF ST. ALBERT

Staircase Feature:

SKATE WORLD

Lexi Pendzich

May 7 to August 3

Lexi Pendzich's latest body of work, ***SKATE WORLD***, documents the skateboarding community in Edmonton and St. Albert, capturing the stories, styles and skills of many women and LGBTQ+ riders making waves today. Through a blend of portraits and action shots, ***SKATE WORLD*** highlights the individuality of each rider, documenting their identities through skate.

In-person tour: May 24 at noon

Virtual tour: June 5 at noon on Facebook Live

Good Grief

Jake Kimble

June 4 to July 20

Good Grief is a space for **Jake Kimble** to process his loss and to grieve people and places that have been lost. A multidisciplinary Chipewyan (Dëne Sų́łíné) artist from Treaty 8 territory in the Northwest Territories, his practice utilizes photography and self-portrait. Using imagery of his whole body, he unpacked his life and experiences to understand his past and present.

Gallery: Exploring Art – Textile Plants!

Experience an interactive art tour in our fun and welcoming public art gallery in the heart of downtown St. Albert. Children will learn about the art in our main exhibition, *In Violet Light*, by looking and asking questions. Our fibre art project allows for the exploration of creative ideas using a variety of materials and is suitable for children, youth and teens. Participants will take their unique textile plant masterpiece home with them!

Museum: Animals in the Prairies, Pacific, and Polar Regions of Canada.

Children can view *The Wild Side* exhibition, featuring photos of animals that live in Canada in the Pacific, Prairie and Polar geological zones. Interact with the Museum educators to learn more about these animals and the land we share. Then, create something to remind them of their “otterly” memorable experience at the Museum.

Historic River Lots + Grain Elevators: Garden Get Away!

Make St. Albert's Historic River Lots + Grain Elevators part of your family's Children's Festival experience. Children can go on a scavenger hunt through our gardens, learn about pollination and make a simple craft!
