From humble beginnings, a dream grew.

Cherry Republic was founded in 1989 in the heart of Michigan's cherry country by Bob Sutherland, on a mission to support local cherry farmers. He started humbly, selling T-shirts sporting the motto *Life, Liberty, Beaches & Pie* from the trunk of his car. Next came a cherry-inspired cookie, the now-famous Boomchunka. A small retail space soon followed, along with an ever-increasing offering of cherry-based specialty foods.

Today, the company celebrates Michigan cherries through its 200+ products including chocolate-covered cherries, salsas, BBQ sauces, jams, jellies, nut mixes, baked goods, wine, beer and more. Most of Cherry Republic's products are proudly made in the USA and still hand-crafted in the picturesque village of Empire, Michigan.

Bob still personifies the *Life, Liberty, Beaches & Pie* mantra by giving back to the community, creating a fun and healthy work environment, protecting Michigan's environment, supporting local growers, and ensuring every customer can experience the magic of Northern Michigan through cherries.

Specialty foods & gourmet gifts from the World's Cherry Capital.

Cherry Republic products are made with cherries grown on Northern Michigan's storied Old Mission and Leelanau peninsulas, known as the 'Cherry Capital of the World.' Our high standards have made Cherry Republic a leader in the specialty foods and gourmet gifting categories with annual sales of over \$20 million.

"If Disney did cherries, the result would look like Cherry Republic."

Around the Republic

It's been a great year in the Republic with a strong cherry harvest and an even greater focus on environmental and philanthropic initiatives. At the same time, Cherry Republic continues to stay true to our core values of Life, Liberty, Beaches & Pie, while providing unmatched customer service.

2022 Harvest Update

We are happy to report that local cherry farmers celebrated a successful harvest this past summer! Both sweet and tart varieties enjoyed the perfect balance of rain and sun, ensuring that we can continue to provide you with Michigan-grown cherries in all of our products.

Giving Back

Our oldest charitable giving initiative is our annual 31 Days of Giving campaign, which has gifted more than \$3 million to non-profit organizations throughout Michigan since 1989. This year, a full time VP of Climate & Community Impact joined our team to oversee this very important part of our company, solidifying our resolve to give back.

Going Green in Packaging

Aligning with our environmental philosophy, Cherry Republic uses eco-friendly bags that use a minimum 20% post-consumer recycled plastic. Our FDA-compliant biodegradable packing peanuts are made from organic starch that decomposes in water leaving no toxic waste. And sustainable corks derived from renewable sugarcane-based raw materials are used in our wine bottling.

Our Core Values

Cherry Republic was founded with the belief that life should be celebrated, which is reflected in our motto: *Life, Liberty, Beaches & Pie and We Journey.*

Life. We capture and share the vital spirit of cherries and Northern Michigan.

Liberty. Employees are encouraged to innovate new ways to get things done.

Beaches. Work should be fun and done with a light heart!

Pie. Generosity is our foundation and the value that most defines Cherry Republic.

We Journey. Together as a team, we overcome to reach the big open spaces where we can spread our wings and soar.
