

COLEY HOME

CARE GUIDE

bedding

The Bedding Bundle

Our luxe 500 thread count bedding bundle has an incredibly soft hand and slight sheen. Our neutral charcoal piping ensures easy layering and boasts everything you need for sweet dreams.

CLEANING:

Machine wash warm. Tumble Dry Low. To avoid wrinkles, remove from dryer immediately

For crisp, hotel-like sheets, you may iron your sheets after washing

Do not bleach

The Quilt

Our 100% cotton quilt is the perfect complement to the Coley Home Bedding Bundle. The subtle puckering & light cotton fill only gets softer with each wash, and lays elegantly over our sateen sheets.

CLEANING:

Machine wash cold with like colors, tumble dry

upholstery

Performance Fabrics

Broadways, Casuals, Luxe Velvets, Nomad, Rattans, Ringos, Puddle Proof, Boucle, Faux Shearling, Plush

CLEANING:

Wipe spills and stains as soon as possible. Clean with natural soap and warm water. Scrub gently and rinse thoroughly. Let the area dry naturally.

Bleach should be tested on a small part before using on stubborn stains.

Vacuum regularly on a low setting. Do not use any sort of brush/bristle attachment.

Professional cleaning is recommended regularly.

Linen Fabrics

Belgian Linens, Comos

CLEANING:

For long lasting color, keep furniture indoors and avoid direct or excessive exposure to sunlight.

Sharp or Rigid edges could cause damage to upholstery material

Blot spills immediately with a clean dry cloth. Cover the stain with water and blot with a clean color-less towel. Do not rub or scrub, this will damage the linen composition. For oil based stains, use a mild water-free solvent and blot.

Do not use harsh cleaning products as they will damage or cause discoloration to the linen

Vacuum regularly on a low setting. Do not use any sort of brush/bristle attachment.

Professional cleaning is recommended for difficult stains.

upholstery

Cotton Blends

Italian Blends, Prints

CLEANING:

For long lasting color; keep furniture indoors and avoid direct or excessive exposure to sunlight.

Blot spills immediately with a clean dry cloth. Cover the stain with water and blot with a clean color-less towel. Do not rub or scrub, this will damage the linen composition. For oil based stains, use a mild water-free solvent and blot.

Do not use harsh cleaning products as they will damage or cause discoloration to the linen

Vacuum regularly on a low setting. Do not use any sort of brush/bristle attachment.

Professional cleaning is recommended for difficult stains.

Natural Fabrics

Hair on Hide

CLEANING:

For hide-on-hide, vacuum gently in the direction of the hair; using a hose and soft brush attachment. Blot spills immediately with a clean dry cloth. Then spot clean as needed using a warm, damp cloth and mild soap. Avoid harsh cleaning products as these could fade or damage the cowhide.
