

CFR PATIO

Bar Stool Cover

Please measure your bar stool following the reference diagram above. Please list exact dimensions. All measurements should be provided in inches.

1. Width of Stool: _____

2. Width at Widest Part of Feet: _____

3. Depth of Stool: _____

4. Depth of Legs: _____

5. Seat Height of Stool: _____

***Highly Recommend - Please submit photos of furniture for our reference**

***Helpful Tips**

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
