

CFR PATIO

Console Table Cover

Please measure your console table following the reference diagram above. Please list exact measurements. All measurements should be provided in inches.

1. Top Width of Console Table: _____
2. Bottom Width Console Table: _____
3. Top Depth of Console Table: _____
4. Bottom Depth of Console Table: _____
5. Height of Console Table: _____

***Highly Recommend – Please submit photos of furniture for our reference**

***Helpful Tips**

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
