

CFR PATIO

Square Dining Set

Please measure your dining set following the reference diagram above. Push all chairs in as far as possible before measuring. Please list exact dimensions. All measurements should be provided in inches.

1. Top Width of Table + Chairs

2. Top Length of Table + Chairs

3. Back Height of Chair

***Highly Recommend - Please submit photos of furniture for our reference**

*Helpful Tips

-Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.

-Always measure with cushions on the frame. Cushions may extend further or higher than frames.

-Items without arms should be measured with cushions on for accurate seat height
