

CFR PATIO

Square Side Table Cover

Please measure your square side table, following the reference diagram above. Please list exact measurements. All measurements should be provided in inches.

- 1. Top Width of Table: _____
- 2. Top Depth of Table: _____
- 3. Bottom Width of Table: _____
- 4. Bottom Depth of Table: _____
- 5. Height of Table: _____

***Highly Recommend – Please submit photos of furniture for our reference**

***Helpful Tips**

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
