

CFR PATIO

Storage Chest Cover

Please measure your storage chest following the reference diagram above. Please list exact measurements. All measurements should be provided in inches.

1. Bottom Width of Storage Chest:
2. Bottom Depth of Storage Chest:
3. Height of Storage Chest:
4. Top Width of Storage:
5. Top Depth of Storage:

***Highly Recommend – Please submit photos of furniture for our reference**

***Helpful Tips**

- Make sure to measure the widest part of each piece. Arms may extend out further than frames. Backs may be slanted and add inches to depth.
- Always measure with cushions on the frame. Cushions may extend further or higher than frames.
- Items without arms should be measured with cushions on for accurate seat height
