PITCH

- Certified Organic
- Small production
- High altitude natural wine
- No added sulfites
- Indigenous yeasts
- Farm dating back to 1645
- From the top of the hill on a clear day you can see as far as the Island of Mallorca
- New project of Pepe Raventós. Aim to recover ancestral traditions

TASTE

The wine exudes a heady mix of aromatics primarily floral notes of jasmine and rose, although there is an abundance of orchard fruit as well. A sip leads with citrus that turns to soft, ripe apples on the midpalate. All that fruit rides a waves of juicy acidity all the way to the finish.
