WINEMAKING

Winemaker: Carmen López Delgado

Fermentation: Indigenous yeasts, spontaneous fermentation in temperature-controlled stainless steel vats after 7 day maceration with the skins and stems; undergoes full malolactic fermentation

Maturation: 8 months in stainless steel before bottling unfinned and unfiltered without sulfur.

WINE

Alcohol: 13.5%

.Production: 583 cases

PITCH

- Certified organic (Sohiscert) and biodynamic (Demeter). One of 175 members worldwide of the Renaissance des Appellations.
- Unfined, unfiltered, & vegan
- A natural wine, following intense principles of biodynamic farming and cosmic alignment.
- Enjoy for the next five years
- Expresses the essence of Central Spain

TASTING NOTES

The dark color belies a lyrical, almost floral quality to the wine; lilac and violet notes appear on the nose, with bright, spicy red fruit supplied by the Graciano tempered with the earthy tannins of Tempranillo.
