6 MONTHS GUARANTEE

The guarantee of six (6) months is the quality assurance of **Luxury Dog House** provided that the terms of use are in accordance with the instructions for use and maintenance. The guarantee is valid only for domestic use.

In addition to the rights provided by the guarantee, all rights applicable to consumers under existing provisions and laws relating to the sales contract are in any case recognized.

The guarantee does not cover damages resulting from poor assembly, misuse, lack of cleanliness or scratches/bumps or any other type of accident. Also, it does not cover normal wear on products that have been placed outdoors or in a humid environment or use other than domestic.

Luxury Dog House will consider whether the product is covered by the guarantee. If the product or component is defective, we will ensure the repair of the problem. If necessary, we will proceed to the replacement of the defective part. In case the product no longer belongs to the Luxury Dog House product line, we will make sure to replace it with a similar one.
