Congratulations on purchasing the NAYAX Cashless/Autel EV Charger Solution. Our goal is to provide you with a smooth and seamless implementation. Please fill out the information listed below and email this form back to: onboarding-na@nayax.com

We will then email you a Service and Processing Agreement that you will need to execute and a link to complete the mandatory KYC process. NO ACCOUNTS WILL BE CREATED WITHOUT COMPLETED AGREEMENTS.

Upon completing your NAYAX account in our database, you will receive an email invitation from our automated system asking you to create your username and password, please note this will expire within 72 hours of being sent. The logins will allow you to access a secure website to review your machines status and monitor your credit card and cash sales.

Once the system has been activated you will be billed a \$30.00 activation fee, per device. If this is an equipment transfer/sale, there will be a \$20 transfer fee per device to the new owner. There is also a monthly monitoring fee. This fee is for the wireless communication, use of the software management system and telephone support.

After the account is set up you will be able to email us and add additional machines by providing us 3-4 days before you plan on installing additional Nayax devices. If you have any questions, please do not hesitate to contact us at 410-666-3800 x1100.
